

Which sentence is capitalized correctly? Ouch! that rose bush is loaded with thorns. Ouch! That Rose Bush is loaded with thorns. ouch! That rose bush is loaded with thorns. Ouch! That rose bush is loaded with thorns.

Answer 1

Answer:

Answer:

Ouch! That rose bush is loaded with thorns.

Explanation:

We need to capitalize the first word of a sentence. Therefore, both the words "ouch" and "that" should be capitalized. No other words need capitalization in this sentence. We would not capitalize rose bush, because it is not a proper noun. It is just a common noun.

Answer 2

Answer: Last sentence. Is this question really for high school English?
